Name of Bride _____ Wedding Date _____

Bridesmaids Name _____

Address _____

City _____ State _____ Zip Code _____

Phone _____ Email _____

Manufacturer _____ Style _____ Color _____ Order Size _____ Initials _____

Bust _____ Bra Cup Size _____

When measuring the bust it is best to wear the undergarment you plan to wear with the gown. Measure the fullest part of the bust, keeping the measurement tape parallel to the floor. Pull the tape measure so it is snug. Garments are made for C cup or smaller, if your bra cup size is a D cup or larger you may require a larger size gown.

Waist _____

Measure the smallest part of your waist, about 2-3" above your belly button. Pull the tape measure snug.

Hips _____

Keeping your legs together, measure 8-9" below the natural waistline at the fullest part of the hip. Pull the tape measure snug.

Height _____ Normal Dress Size _____

Size Requested _____ Extra length? Yes No

For 5'8" or taller extra length is suggested. Plus sizes and extra length are available for an additional fee.

UPS delivery \$25 minimum: Yes No

Gowns are made to correspond with the manufacturer's standard size chart. Measurements are taken to assist the buyer in determining the proper size to order. Most gowns require some alterations and are available for a nominal fee. Sizing is sole responsibility of buyer. All sales are final, no refunds, returns or cancellations. Gowns must be paid in full at time of order.

I accept terms of sales agreement and I confirm my measurements as noted above.
